Attendees will learn:

- Overdose Prevention Strategies
- Signs & Symptoms of an overdose
- How to administer Naloxone
- Legal facts on the Overdose Prevention Act
- Information on local resources

Naloxone is a life-saving drug that reverses a heroin/opiate overdose when used in time.

Many times family members become the first responders in overdose situations.

**FREE \$140 NALOXONE KIT  
INCLUDED WITH  
TRAINING**

**REGISTRATION IS  
REQUIRED TO ATTEND**
